Workshops

Workshop1: A taste of sTimul

To explain the sTimul experience and its effects in more detail and also to give a taste of sTimul through a practical exercise – Lead by Monica Roose (ZorgSaam Zeeuws Vlaanderen – NL) & Nele Janssens (sTimul – BE)

Workshop2: Moral deliberation and clinical ethics

Quick test of a clinical ethics method to discuss problematic care situations – Lead by Pierre Boitte (Lille Catholic University – FR) & Claude Vandevoorde (sTimul - BE)

Workshop3: Create your own sTimul, Dignity is in your hands

To give participants the knowledge and the necessary tools to create their own sTimul experience - Lead by Alet Veldhuis (ZorgSaam Zeeuws Vlaanderen – NL), Katie Bennett (Partners in Care – UK) & Sarah Jane Dale (Skills for Care – UK)

Workshop4: All about good care

What is good care from the point of view of students as caregivers and care receivers? What these groups have in common? - Lead by Iman Padmos, Marit de Pagter (University of Applied Sciences- NL) & Deborah DeBruyne (HUB-KAHO - BE)

Workshop5: Personal leadership

To inform the participants about the design and principals of the course in personal leadership. - Lead by Trees Coucke (sTimul – BE) & Anky de Bakker (ZorgSaam Zeeuws Vlaanderen - NL)

Workshop6: Nutrition: food as good care

To highlight to the participants the importance of meal experience in promoting good nutrition in the care environment - Lead by Joanne Holmes (Bournemouth University – UK) & Karen Van Wassenhove (HUB-KAHO - BE)

Snapshots

Testimonies that question our understanding of Dignity
